

Kustomjee®
CROWN
PRABHADEVI

Boman Irani

Over the years, we have endeavored to make homes that positively influence the way families live & grow. We have created townships that offer a life not lived in square feet.

We have created a world with pools, curated gardens and spaces where children can play and learn.

We have built landmark gated communities that are designed to inspire people to pursue their long-forgotten passions. We have created 'My Spaces' helping remind artists, poets and guitarists (stuck in pinstriped suits) that there is a whole life beyond just chasing deadlines. Now, we are in South Mumbai to introduce you to a whole new way of life. Rustomjee Crown promises to be a sanctuary for the mind, body and soul.

We put in a great deal of thought into every project thereby creating a landmark in terms of design and lifestyle that encourages families to blossom.

Home to some of the city's premier educational and cultural institutions, Prabhadevi with its quiet tree lined boulevards is the perfect address to call home.
